

Flamin' Hot Cheetos Mac 'n' Cheese Bites

What's that about my city, E? I'm a diehard Pittsburgh Steelers fan, but I always have mad love for my city. So while I talk more about my Super Bowl LVII changes (when is the last time the Steers brought home the trophy, E?), let me introduce you to another game-day delight: Flamin' Hot Cheetos mac 'n' cheese bites. You heard that right, goons. I figured out how to take away everybody's favorite dish from West Virginia, mom, and dad, and combined it with every former public school kid's favorite when without school. These bites are as spicy and gooey as you can imagine, so I suggest serving them with a ranch or blue cheese dip to cool 'em down. Or get creative, kind of a SRP classic, or hell, forget what I say and make 'em even better by serving them with hot sauce—there's no limit!
